Fabric B – Cut 1 - 2 ½" squares

Cut 2 - 2 7/8" squares; cut on diagonal once to make triangles

Sew one blue and gold half-square triangle together to make a square.

There will be four 2 ½" squares. Press seams to darker side. Repeat 3 times to make a total of 4 blue and gold 2 1/3" squares. Following the picture sew all 3 rows, using a scant ¼" seam and pressing in alternating directions by row. This will make the front of your name tag.

Sew a layer of batting with the backing (Fabric C), and name tag (right sides together), leaving an opening for turning. Turn name tag right side out. Stitch/quilt as desired. Make with your own desired hanger.

Write, print, or embroider name in center square.
